RE: RESUMPTION OF CLASSES

Greetings in Christ Jesus.

It is my hope that you as an individual are doing well physically, emotionally, spiritually and physically. Nonetheless, we thank God for His goodness that has seen you through this time since we last met.

This letter is coming to you to serve as a notice that we are resuming our maser guide classes from Sunday, 4th September, 2022.

As we come to this session, a few things need to be taken note of as requirements. You are required to report back with the following

1. Bible
2. Hymnal(English/Swahili/Combined)
3. Church Heritage Manual
4. Bible Truth Manual
5. Seventh Day Adventist Beliefs
6. Church manual
7. Clear document display file containing
 - i. A recommendation letter from your church
 - ii. Baptism certificate(original)
 - iii. Basic staff training certificate
 - iv. Passport-photo size (2 copies to remain with the director and one or two to remain with you)
8. Document wallet file for any printed notes
9. 3 or 4 quire hard cover notebook for honors notes
10. 3 or 4 quire hard cover notebook for other notes.
11. Pathfinder or Adventurers assessment/renewal sheet
12. Semesterly registration fee of KShs 200.

Upon resumption, the above shall be checked in the first class. Fail to have any of them without clear explanation will subject you to no registration as a member.

It is important to note that this is a voluntary membership group with requirements for membership hence each member is required to cooperate to ease operation.

The social media group shall be restricted to only registered members. All non-members will be required to exit at will before 25th September, 2022. Arrangements are underway for distant learning which will be communicated before the above-mentioned date.

Attached is a registration form that you will be required to duly fill as you join back.

Thank you and may God keep you safe as we come to this new start.

Yours faithfully,

Edimon Ombati Abobo

Director
